

Covid-19 Hotline +41 xx xxx xx xx

TOPIC	GUIDELINES & RULES OF CONDUCT
1 Prevention	<ul style="list-style-type: none"> ▷ Health takes the highest priority; a high level of solidarity and individual responsibility is required. ▷ Persons with COVID-19 symptoms must not attend the event. ▷ If a case of COVID-19 is diagnosed after an event (after a max. of 14 days), the LOC must be informed of this immediately via the COVID-19 Hotline. ▷ All of the information must be entered truthfully.
2 Information and reporting obligations	<p>The FIS health questions on the second page must be answered prior to the issuing of accreditation:</p> <ul style="list-style-type: none"> ▷ If you have answered "yes" to at least one of the health questions, you must undergo a COVID-19 test. If the result is negative, the person will be accredited as symptom-free after 24 hours. ▷ In the event of a positive result, the task force decides on the further procedure based on the guidelines of the cantonal authorities. Until informed otherwise, the affected person must remain in self-isolation. ▷ In case of significant contact with a COVID-positive person: quarantine until 10 days after the last contact. ▷ If quarantine/isolation has been previously prescribed, the person can be accredited after the period of time has been properly completed and the person is symptom-free.
3 Arrival	<ul style="list-style-type: none"> ▷ Should you journey to the event via public transport, you must adhere to the provisions set out by the FOPH.
4 Accreditation	<ul style="list-style-type: none"> ▷ Accreditation must be picked up personally. ▷ The accreditation serves as part of our contact tracing system and must be worn on your person at all times. ▷ The accreditation must in no circumstances whatsoever be given to third parties.
5 Mask obligation	<ul style="list-style-type: none"> ▷ Everyone must wear a face mask in all areas and accreditation zones on the event grounds. ▷ Buffs that have protection certification are only permitted to be worn as face masks when riding lifts and when working on the pistes. Certified disposable masks must be worn in the competition area. The organiser recommends wearing FFP2 masks for your own protection. ▷ People who have to enter a different colour zone are obliged to wear an FFP2 protective mask upon entering and for the duration of their stay in the different zone. ▷ Protective masks do not have to be worn in the following exceptional circumstances: <ul style="list-style-type: none"> - During strenuous physical activities (e.g.: the erection of heavy-duty infrastructure). - The area manager shall make the decision as to whether masks are permitted to be removed. ▷ During meal times after individuals have sat down at their tables ▷ The participants shall be responsible for sourcing masks themselves. ▷ Used protective masks may only be disposed of in the designated waste containers.
6 Separation of groups and teams	<ul style="list-style-type: none"> ▷ People from different colour groups must not mix with one another. ▷ The colour group can be split into sub-groups, where necessary (if >100 persons). ▷ The sub-groups must not mix with other sub-groups. ▷ This particularly applies during the transfer to the event grounds, the assigned work or in the catering area.
7 COVID-19 testing	<ul style="list-style-type: none"> ▷ There is no legal obligation to undergo tests for members of this group. This does not apply to people who have to enter a different colour zone and have been provided with an additional accreditation card to do so: <ul style="list-style-type: none"> - These people must present a negative COVID-19 PCR test or a negative COVID-19 quick test that was carried out no more than 72 hours previously. - The test must be officially recognised and certified in the country in which it was carried out. ▷ The task force can have people who have symptoms take a COVID-19 quick test. ▷ The task force may at any time arrange for quick tests to be carried out unannounced. ▷ In the event of a positive result being returned by the COVID-19 quick test, a COVID-19 PCR test must also be carried out to validate the quick-test result. ▷ The costs for additional tests shall be borne by the LOC.
8 What to do if you experience symptoms	<ol style="list-style-type: none"> 1. Should you develop symptoms, the responsible person must be informed immediately. The affected person must enter self-isolation immediately. 2. The responsible person shall inform the COVID-19 Officer of the LOC immediately via the COVID-19 Hotline. 3. The COVID-19 Officer shall inform the task force. 4. The task force shall make a decision on the next steps to take on the basis of the provisions and regulations set out by the cantonal authorities. 5. Any information provided to third parties (the media, etc.) must be approved by the task force.
9 Leisure time	<ul style="list-style-type: none"> ▷ Leisure activities are to be avoided, where possible. ▷ Every person shall be responsible for their own actions and activities during their leisure time. ▷ The FOPH guidelines must be adhered to.
10 Training and implementation	<ul style="list-style-type: none"> ▷ By signing this document, the person hereby confirms that he/she has read the annex, understood and answered the health questions truthfully, and undertakes to act in accordance with the guidelines. ▷ The annex is a binding part of the basic protection concept for the World Cup.

TOPIC	GUIDELINES & RULES OF CONDUCT
1 Prevention	<ul style="list-style-type: none"> ▷ Health takes the highest priority; a high level of solidarity and individual responsibility is required. ▷ Persons with COVID-19 symptoms must not attend the event. ▷ If a case of COVID-19 is diagnosed after an event (after a max. of 14 days), the LOC must be informed of this immediately via the COVID-19 Hotline. ▷ All of the information must be entered truthfully.
2 Information and reporting obligations	<p>For teams prior to arrival:</p> <ul style="list-style-type: none"> ▷ Mandatory registration in the FIS C-19 database. ▷ The following information must be uploaded to the FIS C-19 database by 12 noon on the day on which accreditations are to be collected: <ul style="list-style-type: none"> - Negative Covid-19 PCR test result including the testing date and the national laboratory certificate - "FIS Whereabouts" - "FIS Health Questionnaires" ▷ Anyone who travels to the event without all of the requisite documentation will not be provided with accreditation. This means that they will not be able to gain access to the event grounds and must self-isolate before filling out the documents.
3 Arrival	<ul style="list-style-type: none"> ▷ The LOC shall inform the teams about the current entry regulations. ▷ The team must remain separate from external parties during the journey to the event. ▷ During the journey, the team must avoid taking long breaks, particularly at highly frequented places such as service stations, and must adhere to the general rules of conduct.
4 Accreditation	<ul style="list-style-type: none"> ▷ The accreditations must be picked up altogether by the team manager of each team. ▷ The accreditation serves as part of our contact tracing system and must be worn on your person at all times. ▷ The accreditation must in no circumstances whatsoever be given to third parties.
5 Mask obligation	<ul style="list-style-type: none"> ▷ Everyone must wear a face mask in all areas and accreditation zones on the event grounds. ▷ Buffs that have protection certification are only permitted to be worn as face masks when riding lifts, on course inspections and on training and approach pistes. Certified disposable masks must be worn in the competition area. The organiser recommends wearing FFP2 masks for your own protection. ▷ Protective masks do not have to be worn in the following exceptional circumstances: <ul style="list-style-type: none"> - By athletes immediately before, during and after the competition - During meal times after individuals have sat down at their tables ▷ The TCM shall provide information about the rules surrounding the wearing of masks on the leaderboard and when announcing results. ▷ The participants shall be responsible for sourcing masks themselves. ▷ Used protective masks may only be disposed of in the designated waste containers.
6 Separation of groups and teams	<ul style="list-style-type: none"> ▷ People from different colour groups must not mix with one another. ▷ People from the "Red" colour group must not mix with one another for periods of more than 15 minutes. ▷ Teams must not mix with other teams within Team Hospitality.
7 Covid-19 testing	<ul style="list-style-type: none"> ▷ Everyone must present a negative Covid-19 PCR test that was carried out no more than 72 hours previously. ▷ The test must be officially recognised and certified in the country in which it was carried out. ▷ The task force can have people who have symptoms take a COVID-19 quick test. ▷ The task force may at any time arrange for quick tests to be carried out unannounced. ▷ In the event of a positive result being returned by the COVID-19 quick test, a COVID-19 PCR test must also be carried out to validate the quick-test result. ▷ The costs for additional tests must be paid on the spot by the person being tested.
8 What to do if you experience symptoms	<ol style="list-style-type: none"> 1. Should you develop symptoms, you must inform the team manager immediately. The affected person must enter self-isolation immediately. 2. The team manager shall inform the COVID-19 Officer of the LOC immediately via the COVID-19 Hotline. 3. The COVID-19 Officer shall inform the task force. 4. The task force shall consult the cantonal authorities and make a decision on the next steps to take. 5. Any information provided to third parties (the media, etc.) must be approved by the task force.
9 Leisure time	<ul style="list-style-type: none"> ▷ Leisure activities are to be avoided, where possible. ▷ Every person shall be responsible for their own actions and activities during their leisure time. ▷ The FOPH guidelines must be adhered to.
10 Training and implementation	<ul style="list-style-type: none"> ▷ The team manager shall be responsible for providing team members with internal training. ▷ The team manager undertakes to hand out the annex to all team members at the latest on the evening before the first official team event (training or competition) and to inform the team about the protection regulations. ▷ The annex is a binding part of the basic protection concept for the World Cup.
